• Profile

As a passionate and versatile software engineer and web developer, I excel at transforming ideas into efficient, user-friendly applications and websites. With a strong foundation in problem-solving and attention to detail, I am dedicated to delivering innovative solutions that enhance user experience, streamline processes, and achieve project goals effectively.

• Work Experience

Web Developer | Student Projects & Freelance Work | 2026

Collaborated with clients and peers to understand project requirements, developing functional and user-friendly websites and applications while gaining hands-on experience in software engineering.

Freelance Web Developer | Self-Employed | June 2026

- Worked directly with clients to understand their web development needs, set project goals, and build user-friendly websites and small applications using modern web technologies.

• Education

- Bachelor of Science in Software Engineering (In Progress) | University of Mianwali | 2023 - 2027
- Currently in 5th semester with a CGPA of 3.2
- Intermediate (Pre-Engineering / FSc) | [Govt: Higher secondary school Daud Khel] | 2021 - 2023
- Score: 753 / 1100
- Matriculation (Science) | [Islamia Public High school Daud Khel] | 2019 - 2021
- Score: 926 / 1100
